About Sun Power

Sun Power is a solar energy dealership and EPC/MMS contracting firm based in Delhi NCR. We are an authorized dealer for Loom Solar, and also source and supply other leading brands — including Tata, Adani, and Waaree — to match client budgets, specifications, and availability. We work across the full lifecycle of a solar project — from product supply and site assessment to installation, commissioning, and subsidy assistance under the PM Surya Ghar scheme. Our team has delivered projects ranging from residential rooftop systems to large-scale installations exceeding 1 MW.

Registered Office	Office No. 3, B-47/A, Lane No. 6, Joshi Colony, I.P. Extension, Delhi - 110092
Contact	9560473434
GSTIN	07BQKPV2646A1ZS
Dealership	Authorized Loom Solar Dealer; also sources Tata, Adani, Waaree & other brands

What We Offer

- Solar Panels — DCR & non-DCR, ALMM-compliant modules from Loom Solar and other leading brands (Tata, Adani, Waaree & more via sourcing)
- Batteries & Inverters — on-grid, off-grid, and hybrid systems
- Rooftop & Ground-Mounted Installation — end-to-end system design and setup
- PM Surya Ghar Subsidy Assistance — guidance through documentation and approval
- EPC & MMS Contracting — engineering, procurement, construction and maintenance for large-scale projects

Product Range

Representative models by brand, compiled from manufacturer catalogs and published specifications. Confirm current stock, exact SKU, and pricing with the manufacturer/distributor before quoting a client.

Solar Panels

Brand	Model / Series	Wattage	Type	Notes
Loom Solar	Shark (TOPCon / HJT / Bifacial)	10 Wp – 750 Wp	DCR & Non-DCR, Mono/Bifacial	Up to 24.2% module efficiency; 30-yr performance warranty
Tata Power Solar	TurboVolt (Mono PERC) / TOPCon range	335 W – 610 W	DCR & Non-DCR, Mono PERC/TOPCon	25–30-yr performance warranty
Waaree	Bi-55/Aditya (Mono PERC) / Elite TOPCon Bifacial	330 W – 700 W	DCR & Non-DCR, Mono PERC/TOPCon Bifacial	12-yr product, up to 30-yr power warranty
Adani Solar	Shine (Mono PERC) / Elan & Elan-G (TOPCon Bifacial)	330 W – 660 W	DCR & Non-DCR, Mono PERC/TOPCon Bifacial	12-yr product, 25–30-yr power warranty

Batteries

Brand	Model / Series	Capacity	Type	Notes
Loom Solar	CAML (wall-mount, rack-mount & floor-standing)	1.28 kWh – 25.6 kWh (module); scalable to MWh-scale BESS	LiFePO4	5-yr standard warranty (expandable to 10); ≥6,000 cycle life
Tata Power Solar	TACO Mysine	5 kWh	LFP	Typically paired with hybrid inverters (e.g. Deye)

Waaree	Li-ion LFP battery packs	12.8V/42Ah – 12.8V/100Ah	Lithium-ion (LFP)	2,000+ cycle life
Adani Solar	—	—	—	Panel-focused; sourced with compatible third-party batteries

Inverters

Brand	Model / Series	Capacity	Type	Notes
Loom Solar	Fusion On-Grid / Fusion Hybrid	On-Grid: 3–5 kW (1-ph), 6–100 kW (3-ph); Hybrid: 5–10 kW (1-ph), 10–50 kW (3-ph)	On-Grid & Hybrid	Up to 98.8% max. conversion efficiency; 10-yr warranty
Tata Power Solar	Blue-G string inverter range; hybrid systems paired with Deye	~3 kW – 10 kW	On-Grid & Hybrid	Pure sine wave; selectable charging/input settings
Waaree	On-grid & hybrid inverter range	3 kW – 100 kW	On-Grid & Hybrid	MPPT-based; lead-acid, tubular & lithium battery compatible
Adani Solar	—	—	—	Panel-focused; sourced with compatible third-party inverters (e.g. Growatt, Jio Sparq)

Typical System Packages

Package	Capacity	System Type
Residential	3 kW	On-grid
Residential	5 kW	On-grid
Home Backup	10 kVA	Off-grid / Hybrid
Commercial / Industrial	Custom (up to 1 MW+)	EPC / MMS

Exact system configuration is finalized after a site assessment.

EPC & MMS Services

- Site survey and system design
- Procurement and supply of ALMM-compliant components
- Installation — rooftop and ground-mounted
- Grid connection and net-metering coordination
- PM Surya Ghar subsidy documentation and follow-up
- Operations & maintenance (MMS) for large-scale installations

Why Sun Power

- Authorized Loom Solar dealer, with sourcing access to other leading brands (Tata, Adani, Waaree & more)
- Track record across residential, commercial, and utility-scale projects (incl. 1 MW+ installations)
- End-to-end support — from subsidy paperwork to post-installation maintenance
- Delhi NCR based, with hands-on project and client management
